PALLADIUM UNDERWAY ON 90-UNIT, MIXED-INCOME MULTIFAMILY COMMUNITY

Palladium USA is underway on construction of Palladium Fain Street, a 90-unit mixed-income multifamily community in Fort Worth. The majority (81) of the units will be reserved for renters earning between 30 and 60 percent of AML, while the other nine units will be rented at market rates. Amenities will include a pool, fitness center, dog park, walking trails, conference room, computer lab and a playground. The first units will be ready for occupancy in April 2022. Cross Architects is designing the project, and BBL Construction is the general contractor.
